SUMMER 2019

# LAVEL jako wybór w 2019!

## # b e a c h w e a r

*Katalog strojów LAVEL na rok 2019 to mieszanka lat doświadczenia, powiewu świeżości oraz najpopularniejszych i sprawdzonych trendów w modzie plażowej. Z dotychczasowych projektów wyciągnęliśmy to, co najlepsze i najbardziej doceniane przez naszych Klientów. Z połączenia unikalnych designów, możliwości personalizacji i niespotykanej wygody powstała wyjątkowa kolekcja, która podnosi modę plażową o co najmniej jeden #lavelup. #lavelyou to stroje zarówno wysoce klasyczne, jak i te niepozabawione seksapilu i nutki letniej odwagi. Zapraszamy do zapoznania się z naszymi propozycjami na sezon 2019! Znamy rynek, potrzeby i oczekiwania.*

Najnowsza kolekcja opiera się na wartościach, które rozwijamy w naszym projektowaniu od lat: funkcjonalności, wygodzie i stylu. Wiemy, czego potrzebuje rynek i jak zmieniają się oczekiwania naszych Klientów, dlatego naszych mocnych stron upatrujemy w dbałości o jakość i zapewnieniu konkurencyjnych, atrakcyjnych cen. Regularnie badamy preferencje rynkowe w dziedzinie designu czy połączeń kolorystycznych.

W kolekcji prezentujemy modele, które sprawiają, że każda kobieta poczuje się latem swobodnie i komfortowo: dzięki specjalnej konstrukcji stroju, która podkreśla zalety i ukrywa niedoskonałości. Łączymy taką funkcjonalność z elegancją i niewątpliwą kobiecością, którą można dostrzec w każdym elemencie stroju.

Dodatkowo, kolekcję 2019 uzupełniliśmy o serię pojedynczych modeli high fashion, które zaspokoją potrzeby najbardziej wymagających Klientek. Lavel udowadnia, że można połączyć wyjątkową wygodę ze świeżym, modnym stylem. Kolekcja 2019 prezentuje rozwiązania, które odpowiadają zróżnicowanym gustom i pragnieniom Klientów.

### PARTNERSKA RELACJA

Do kwestii współpracy podchodzimy w sposób partnerski: budujemy relacje, a nie tylko je nawiązujemy. Dopasowujemy kolekcję do trendów rynkowych na rynku Klienta: dzięki stałemu kontaktowi, rozmowom i sugestiom wiemy, jakie elementy powinny wchodzić w skład kolejnej kolekcji i w którą stronę projekty powinny ewoluować. Takie uwagi bierzemy niezwykle poważnie: Klient ma realny wpływ na kształt kolekcji czy oferowane rozmiary. To, w połączeniu z najlepszą jakością materiałów produkcyjnych otrzymywanych przez sprawdzonych dostawców, gwarantuje najwyższy poziom satysfakcji i udaną współpracę na lata.

# LAVEL as a choice in 2019!

*The LAVEL catalogue for 2019 is a mix of years of experience, a breath of fresh air and the most popular, proven trends in beach fashion. From the previous projects, we have chosen the best and the most appreciated factors. The combination of unique models, personalisation possibilities and unprecedented convenience has created a unique collection that brings beach fashion for at least one #lavelup. #lavelyou merges classic approach with summer spirit and sensuality. We invite you to familiarise yourself with our proposals for the 2019 season! We know the market, needs and expectations*

The latest collection is based on the values we have been developing in our design for years: functionality, comfort and style. We know what the market needs and how the expectations of our Clients can change, which is why our strengths are seen in the concern for quality and ensuring competitive, attractive prices. We regularly examine market preferences in the field of design or colour combinations. The collection presents models that make every woman feel free and comfortable in the summer: thanks to the unique construction of the outfit, which emphasises the advantages and conceals imperfections. We combine this functionality with elegance and unmistakable femininity, which pierces with every element of the outfit.

Besides, the 2019 collection has been enriched with a group of individual high fashion models that will satisfy the needs of even the most demanding Customers. Lavel proves that you can combine exceptional comfort with a pure, fashionable style and present solutions that meet the tendencies and requests of various target groups.

### PARTNER RELATIONSHIP

We approach the issue of cooperation in a partner-like way: we build relationships, not just create them. We match the collection with business trends in the Customer's market: thanks to constant dialogue and feedback, we know what elements should be included in the next collection and in which direction projects should evolve. We take such comments very seriously: the Customer has a real influence on the shape of the collection or the sizes offered. This, combined with the best quality of production materials received by reliable suppliers, guarantees the highest level of satisfaction and fruitful cooperation for years.
